1. Background and Company History

Tsanstabane Waste Recycling is an emerging recycling company which was established by six entrepreneurs. The company is one of the first Black owned in Tsanstabane area and Northern Cape. Tsatsabane Recycling will expand our services to Danielskuil, Kathu, Olifantshoek, Groenwater, Skeifontein, Jean Haven and Lime Acres and expand the waste management into scrap recycling and cleaning service.

Tstantsabane Recycling is currently employing 10 direct employees, and 10 indirect through buyback service where we develop other SMME. We currently bail all recyclable material and transport this to Mpact in Johannesburg. We are providing our clients with peace of mind on all aspects of waste waste removal, disposal, and recycling of waste collected. We provide onsite recycling service for our clients. Mr A Jonas, Mr F Daniel, Mr Dawid Maqoma, Ms M Daniels, Ms V van Vuuren, Ms J Seboko and R Mashila in 2010. After obtaining a combined experience of more than 10 years in business administration, business management, recycling and waste management domestic and industrial waste, we decided as entrepreneurs start their own business venture. The owners have obtained experience in industrial and residential waste. Tsantsabane Recycling Waste Management And Civil close corporation registered with a valid waste licence and has a BBBEE level 3 rating. This company is 100% black owned.
